

Shelf Life Statement

For proper storage, Glue Dots Brand Products should be stored in a clean and dry environment in their original packaging without extended exposure to extreme temperatures, high humidity, sunlight or other UV light sources. As a best practice, we suggest that Glue Dots Brand Products be used within 18 months of the date of manufacture.

The content provided herein is furnished for informational purposes only and is believed to be accurate as of the date of issue. It is the user's responsibility to determine whether the Glue Dots product is fit for a particular purpose and suitable for user's method of use or application. Glue Dots International makes no warranties, expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose as a result of sale of products.
